

POLICY FOR PROCUREMENT OF CAUSTIC SODA LYE BY NALCO

A. Limited Tender Enquiry to Regular Vendors:

1. Limited Tender to regular vendors will be floated from time to time in two part bidding system. Prior to floating of limited tender enquiry, the regular vendors will be asked to furnish confirmation/information on techno-commercial terms and conditions of the NIT. Only those vendors who submit the above and are acceptable to Nalco will be considered for LTE.
2. The vendors who are techno-commercially acceptable as per above procedure will be eligible to participate in limited tender for one year.

B. Global Press Tender/LTE for New Vendors:

Global press tender/LTE will be floated at least once in a year for development of new vendors for a quantity of 24000 DMT. On successful execution of the order, against the development tender, the new vendor/will be included in our list of regular vendors for LTE to be floated from time to time (as above at A).
