

DPE has launched a common knowledge management portal for CPSEs an outcome of CPSE conclave recommendation. The portal <https://samanvay.cpse.in> aims to boost organizational agility, quick problem-solving and share innovation amongst the CPSEs. This endeavor to connect the intellectual capital and sharing of infrastructure to leverage the best available within the CPSE's to fulfil the dream of making India a global power in manufacturing & service sector.

It is aimed to encourage collaboration amongst the CPSE knowledge resources sharing of best practices, views, diverse opinions and varied experiences to the process of decision-making, in turn helping the business making decisions based on collective knowledge, intellectual capital and expertise. Further, it will provide appropriate ecosystem for employee growth and sharing of expertise through better communication.
